New Business

Bob Haas stated that there is not much of an update since the last meeting, but there will be more to look into at the next meeting. He has spoken with a graphic designer for an idea for coins, signs, shirts, and other bicentennial merchandising. He will be meeting with Jim Poe to discuss the historical society's involvement, such as potential Cabin Days, and other period activities. Several members were interested in helping, and he will start a bicentennial email group. The next meeting he will have a finalized location for the founder's dinner, and he has reached out to the Cincinnati Circus for festival activities.

Donna Rosic said that the Lion's Club may be interested in bringing in a circus next year to Goshen, with weekends near the 4th of July.

Mr. Haas also stated that there have been discussions of cruise in's, and it was suggested to go to Jimmy Allen, who sets up the National Night Out Cruise in.

Trustee Hodges stated that the location will determine where insurance will be coming from. The Brown County fair has trollies for shuttles that we may be able to borrow.

Mr. Haas requested the board look into potential capital for these events from the township at the next meeting.

Trustee Hausermann said that in the past there have also been sponsorships from Pepsi and/or Coke.

Trustee Hodges also suggested reaching out to churches for donations as well.

Mr. Haas stated that the goal is to reach out to as many groups at different times throughout the year as possible, for different activities for different demographics.
