### **Park Projects**

Administrator Pegram stated that in-kind contributions to the park are allowed. The Board of Trustees can motion to allow township employees, per department discretion, to help with park projects, such as mowing and maintenance.

Trustee Hodges stated that he would prefer we contract out, versus use employees, and requested that we research rates.

Director Seyfried stated he would look into rates for mowing.

Park Commissioner Dinwiddie stated he is waiting on the invoice so the township can cut the check for the building. All the paperwork for the mound has been sent to the county.
